Affidavit Approvals

Affidavits will be reviewed on Saturday, June 19th from 10:00 to 2:00 at the Parsippany PAL.

Some extra special words of caution about affidavits:

This year tournament play starts very shortly after affidavit day and in a few divisions the very next day. There is no in between time to fix problems, such as missing birth certificates or proper proof of residence.

When the affidavit package is presented it will be given a preliminary review to make sure the affidavit is completely filled out and signed, and it has with it all the required documentation as shown on the checklist.

Those that lack anything will be returned without further review.

Please review the affidavit checklist to make sure all required items are presented. Remember, submittals with missing items will not be reviewed.
